Hi Tom,

Can I get a copy of their current title V permit? That may be helpful in comparing the changes being made to the permit.

CONFIDENTIAL INTER-AGENCY DRAFT

Lisa:

Per our telephone conference this morning, I am re-sending you a confidential inter-agency draft copy of Exide's Rule 1420.1 Compliance Plan that we wish to incorporate in Section I of Exide's TV Facility permit as a minor permit revision. This draft was previously sent to you and Roberto Gutierrez from Jay Chen on December 22, 2012. If you have any questions, please let me know. Thanks.
